# MARRIAGE CEREMONY & GUIDELINES

A wedding is a joyful and exciting occasion but please keep in mind that Blessed Sacrament Parish is a sacred place for witnessing your vows before God. Respect and decorum need to be observed at all times. **Embracing Marriage as a Sacrament** will transform your whole life together and take your love to a much deeper level.

## READINGS AND LITURGICAL PRAYERS:

During your Prenuptial Interview with the Pastor, you will be provided with a copy of the Canadian Conference of Catholic Bishops (CCCC) guideline booklet entitled, 'The Order of Celebrating Matrimony: Liturgy Planning Guide'. This booklet provides a wide selection of acceptable Scripture readings and Prayers of the Faithful that you can choose from.

Please be aware that non-scriptural readings, song verses, or poems are never permitted in place of the Bible readings.

You are welcome to choose relatives or friends to proclaim the readings from the Holy Scriptures and the Prayers of the Faithful (General Intercessions). The Gospel reading is reserved for a priest or deacon to proclaim. The minimum age for a reader is 16.

## WEDDING REHEARSALS:

*Any fees owing must be brought to the rehearsal.*

Anyone taking an active part in the wedding ceremony must be at the rehearsal. This would include ushers, readers, bridesmaids, groomsmen, parents, flower girl, ring bearer, photographer/videographer etc. **To schedule a wedding rehearsal**, please call the Parish office.

## MUSIC SELECTION:

At a Catholic wedding, the music must give honour and glory to God, whose grace and blessing we invoke for all in attendance. For this reason, Blessed Sacrament does not allow any songs originating from secular music - such as popular love songs or themes from movies.

Liturgical music should always express the life, death and resurrection of Christ and help us unite with the sacred. Additionally, we do not permit recorded music. The liturgy is a collection of signs expressed by **living** human beings.

Can we use Wagner's "Bridal Chorus" or Mendelssohn's "Wedding March"? These two songs have caused much debate. These instrumental pieces originated from theatrical operatic repertoire and are connected to stories of fantasy, murder, sex, and pagan elements. There are plenty of other beautiful pieces of music.

The couple should plan music for the wedding in consultation with musicians that understand and are trained in Sacred Liturgy. Prior to discussing your song selection with the musician, please **provide your song choice to the Pastor**. A list of some suitable liturgical music is offered on page 5.

Please note that **hiring a musician** and **payment** for their service is to be **arranged between the musician and the couple**.

The following Liturgical Musicians are available for hire:

- Anya Perry: 613-612-7130
- Chris McGuire: 613-736-1444
- Eileen Dalpra: [solutions@eileendalpra.com](mailto:solutions@eileendalpra.com)
- Joanne Parenteau: 613-225-8962
- Kevin Borsellino: [embraceyourcross@gmail.com](mailto:embraceyourcross@gmail.com)

## **MUSICIANS REHEARSAL AND TECHNICAL SET-UP:**

Please ensure your musician(s) contact the parish office to arrange:

- Scheduling a *musician* rehearsal date and time
- Unlocking the Choir Loft (*on the day of the Rehearsal and Ceremony*)
- Answering any questions the musicians may have.

## **PHOTOGRAPHS AND VIDEO RECORDING:**

Photographers and videographers and their assistants are welcome. Because of the sacred nature of the church and the ceremony, they must maintain a respectful decorum at all times. They are to be reverent and discreet and may not stand in the centre isle during the service. If there is Mass and Communion, they are not to take photographs during the Eucharistic Prayer and the reception of Holy Communion. Flash photographs are to be kept to a minimum and no extra lighting equipment is to be used. Photographers and videographers should introduce themselves to the wedding coordinator and the presiding priest at rehearsal.

## **CONFETTI, RICE AND FLOWER PETALS:**

No flower petals, confetti, rice or bird seed is to be thrown inside or outside the church as the clean up of these materials after each wedding is both tedious and burdensome. Thank you for respecting this policy.

## **FLOWERS, PEW BOWS AND RUNNERS:**

Arrangements of flowers are left to the couple's choice. They may be left in the church afterwards or taken to the reception. Flowers may be placed near the altar of sacrifice but not on it. Your florist must provide any stands or pedestals used. Pew bows are allowed as long as they are not affixed by pins, tacks, nails, staples or glue. Elastic bands, string, plastic pew clips or ribbons are suggested. Some mild adhesive tape is permitted to aid in affixing them so long as it will not damage the finish on the pews. Please arrange that a designated person(s) will remove any decorations, boxes, etc. immediately following the ceremony.

Our Parish Wedding Coordinators have offered to arrive up to **1½ hours prior to the wedding ceremony** in order for you to decorate the Church. **To schedule a time to decorate**, please contact the **parish office**.

## **REFRESHMENTS:**

Drinks/refreshment stands of any kind are prohibited in the Narthex and Church proper. Ushers are responsible to ensure that the Church is left clean and the refuse is properly disposed of.

## Wedding Programs:

Wedding programs are optional. They can be helpful in guiding the unfamiliar through a Catholic wedding ceremony, acknowledging the wedding party and parents, and as mementoes. We would recommend simplicity. Excessive detail can lead to guests looking too much at the program instead of at the actual ceremony.

Below are outlines for programs. Items printed in italics indicate variables that you should list in the finished product. Optional items are given in [square brackets]:
